

MITZVAH #1

# תולדות דעה

Being aware of Hashem's  
awesome power and  
love for us.

# דאס איז דאס אלט היים אחרים

Don't believe in other powers –  
Never say "I can't". If Hashem helps,  
you can do anything!

# רח' דעה

Hashem is all that exists. All the evil and challenges are part of Hashem too to help you succeed in life.

MITZVAH #4

# אהבת שם

The pleasure of loving Hashem is worth more than all the pleasures in the world.

# תלמוד דברי

Being fully aware of the pricetag for both,  
following Hashem and for disobeying Him.

דא תתור  
אחרי  
דבבכס  
ואחרי  
עיניכס

Not to follow your animalistic instincts.  
Choosing pleasure over comfort.
